CHASE YOUR LEGACY

A club-linked football academy where coaching, community and data drive every step of a player's development.

★ KSFA D DIVISION CHAMPIONS

★ WOMEN'S B DIVISION CHAMPIONS

★ SUPER DIVISION CLUB

We are building Indian football's most **honest** development pathway.

FC Real Bengaluru is a professional club and academy under one roof. Every player, from a five-year-old's first touch to a senior in the KSFA Super Division, trains in the same system, is measured the same way, and earns their level on merit. No shortcuts, no inflated promises. Just a real route from grassroots to the first team.

"We develop footballers and people: discipline, teamwork and excellence, on the pitch and off it."

A club & academy, under one badge

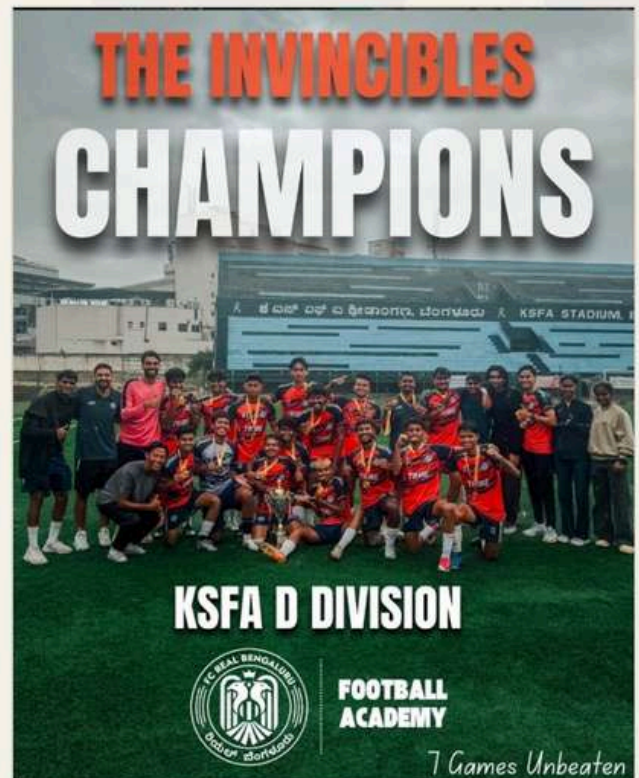

01

A professional football club competing in the Karnataka State Football Association leagues, with an academy that feeds it. We coach with modern methods, manage load like a pro setup, and keep parents in the loop, because development should be visible, not promised.

02

Coaching

Licensed coaches, modern methods, real match exposure and pro-style load management, not weekly turf sessions.

Community

A real club to belong to, with teams, fixtures and partners, so players grow inside a culture, not a class.

Data

RealVerse tracks attendance, load, feedback and milestones. We are one of India's first academies to coach with data end-to-end.

We run all three as one system

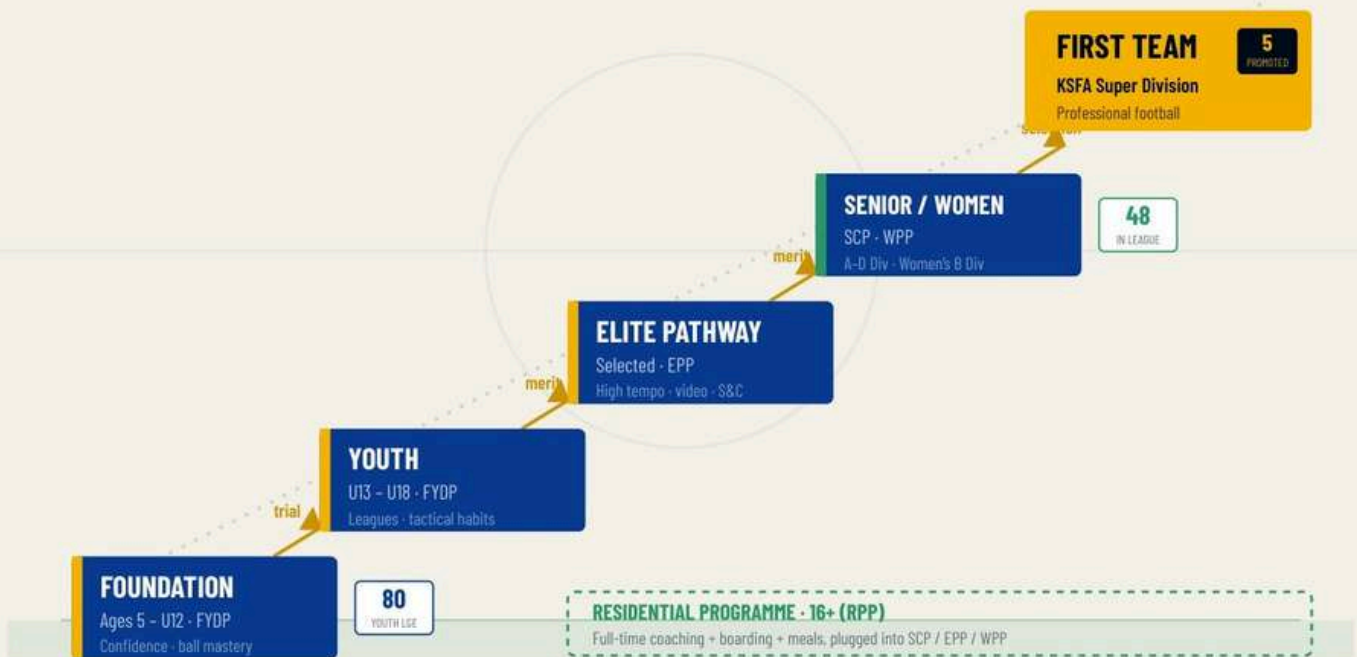

WHAT PARENTS COMPARE	A TYPICAL WEEKLY CLASS	FC REAL BENGALURU
Placement	✗ By age only	✓ By trial: age & level fit
The destination	✗ Stays a class	✓ A merit pathway to club teams
Progress tracking	✗ Verbal, occasional	✓ RealVerse: measured weekly
Parent visibility	✗ Word of mouth	✓ Parent dashboard & reports
Match exposure	✗ Rare / informal	✓ KSFA & youth leagues
Player welfare	✗ Not monitored	✓ Load & wellness alerts

Comparison reflects our coaching model. We always recommend trialling any academy before deciding.
